Please allow a 'quiet' area within this top section to ensure the metal rail does not interfere with your design.

## Bleed Line -

If the background is a solid colour or a full background scan, please ensure it goes right to the red Bleed Line

## Outer edge of banner

## Nuwave (2000mm x 2000mm) Business Class Roller Banner Template

On completion of your design, please remove the blue lines and all other text, then send it to us as a full size pdf file. Please ensure the page size is not larger than the final design.

Please allow a 'quiet' area within this bottom section and ensure all important content is above this.
